- Please note whether entering online or through the phone, once you are entered you are liable for all your fees and no changes will be made.
- Entry fees will still be paid at each rodeo the weekend of, we do not have online pay due to each club being responsible for their own money.
- Late entries will only be accepted through email this year, and only until Friday after the entry date. Late entries are going to be charged \$10 per rodeo for the first offense and will increase by \$10 with every late entry. oregonhsentries@gmail.com
